Mr. SPEAKER.—The Hon. Minister for State, Sri Vittaldas Shetty, wants to make a statement. He is permitted.

Statement by the Minister of State for Food and Civil Supplies *re*: Export of Bajra and Maize outside the State

† **Sri B. VITHALDAS SHETTY** (Minister of State for Food and Civil Supplies).—The export of maize and bajra from the State to places outside, is governed by the provisions of the Mysore Foodgrains (Regulation of Export) Order, 1966. Permits were hitherto required for exporting these two foodgrains outside the State. The Mysore Foodgrains (Regulation of Export) Order, 1966 has since been amended, which results in lifting the ban on the export of maize and bajra outside the State. No permit is now required for exporting these two foodgrains.

It is also clarified that there are no restrictions on the movement of maize and bajra within the State also.

I think the names have been sent to Government Press for publication. In the meanwhile elaborate procedures have been laid down under the Act to set up first Board which can give recognition to colleges.
